JOB DESCRIPTION

Enthusiastic and dedicated Junior Full Stack Developer with 1 years of experience in web application development. Eager to contribute my skills and passion for coding to a dynamic team, focused on building efficient and user-friendly digital solutions.

EXPERIENCE

Axes Geeks pvt ltd, Noida, Uttar Pradesh — Internship
Sept 2021 - June 2022

In my very first internship, I had the chance of working with Python and Django to develop a CRM system management level app. And as it's one of the most popular web development frameworks, I decided to share my thoughts on it.

Virtus IT pvt ltd, Hyderabad — Full Stack Developer

July 2022 - Present 2023

As a junior team member, I actively participated in tasks assigned by senior developers. My responsibilities encompassed crafting essential website sections and assisting in the development of Javascript and Asp .Net MVC , C# Functionality , with a focus on user validation data getting, sign-up, and email services. Guided by senior colleagues, I contributed to building foundational skills.

EDUCATION

Rgpv University, Bhopal — B.tech

June 2017 - June 2021
